COURSE OBJECTIVES

The primary objective of this course is to develop and maintain an understanding of and appreciation for a wide variety of music, and apply this understanding and appreciation to improving one's quality of life.

MUSIC

All music folders must be present at every rehearsal. Markings should be made in pencil only on the music. If you are absent, your music still must be at every rehearsal in order to have your section leader mark changes etc.

GRADING

Students are generally very dedicated in their musical activities and therefore usually obtain a passing grade.

Absences will affect a student's as follows:

Four or fewer absences = Pass

Five or more absences = No Pass

Absence at Concert without prior director approval = No Pass

ATTENDANCE

Please verify that you will be available for all scheduled rehearsals. Upon missing your third rehearsal you will be asked to explain your absences. Tardiness will be treated at 50% of the rate for absences above.

CONCERT WEAR

Men perform in a tuxedo or black suit with white shirt, black bow tie and black shoes. Women perform in concert black, i.e. long black dress, black skirt, or black dress slacks and a black blouse and black shoes.

NOTE OF INSTRUCTIONAL INTENT

It is the instructor's intent to provide an enjoyable learning experience for all the students in the course. If any action or statement makes a student feel uncomfortable in any way, please bring this to the attention of the instructor (or through the band

officers) so instructional delivery can be addressed to accommodate the unique individual needs of the course.

LEARNING OUTCOMES

As a result of completing this course, students will be able to:

1. Demonstrate a high level of competence in skills required to perform with other musicians in a large ensemble setting, including: proper intonation, matched tone, awareness of blend and balance, and adherence to correct style.
2. Exhibit the ability to respond to verbal and non-verbal communication from the conductor.

ACADEMIC INTEGRITY

I personally support the GW Code of Academic Integrity. It states: “Academic dishonesty is defined as cheating of any kind, including misrepresenting one’s own work, taking credit for the work of others without crediting them and without appropriate authorization, and the fabrication of information.” For the remainder of the code, see:
